STAHLWILLE®

Extensions 1/2"

509

Product no.	**13010002**
GTIN	**4018754012985**
Model	**509/5**

Label. 1/2 " Extension L.130mm

Properties.

- Chrome Alloy Steel, chrome-plated
- DIN 3123 / ISO 3316

Benefits.

High-quality extension for use in the workshop, DIY or industry.

The socket wrench adaptor ensures optimum power transmission even in hard-to-reach places.

The high-quality Chrome Alloy Steel construction promises a long service life.

Practical extension for hand operated sockets with 1/2" square drive and ball lock.

The extension ensures stable connections even in long threaded holes.

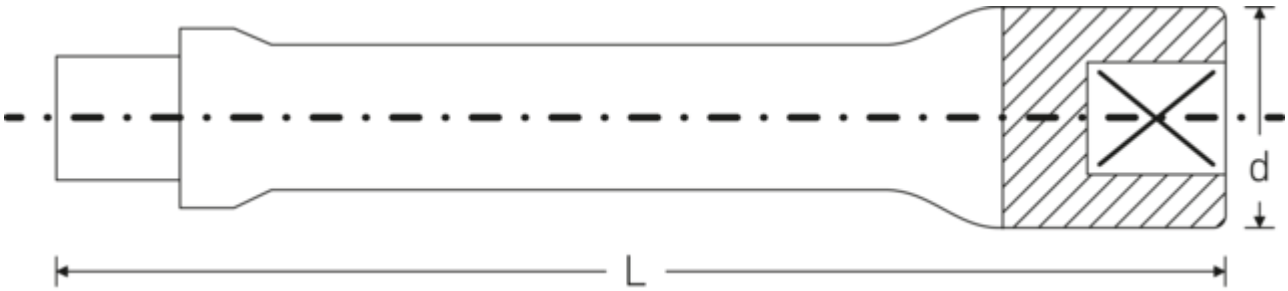
Product highlights.

A solution for every situation.
Our socket extensions are available in various versions (different output sizes, straight and bent shapes, with and without QR, imperial, with wobble drive or as a VDE version).

Safe for hard-to-reach screws.
The combination of optimal working length and ball lock ensures a secure hold of the sockets. This enables high and safe power transmission in hard-to-reach places and for low-lying threaded connections, e.g. for repairs on cars and trucks.

Outstanding craftsmanship.
The tool is forged from high-quality Chrome Alloy Steel, which gives it outstanding stability and durability in continuous use. It also has a corrosion-resistant chrome-plated finish.

Technical drawing.



Technical attributes.

Size	5
External square drive (inch)	1/2
Square drive inner (inch)	1/2 "
Length mm (L)	130 mm
d	23,2 mm
