Plastic boxes, empty

7301

Product no.	**81370002**
GTIN	**4018754155590**
Model	**7301 K**

Label. Plastic box, empty 7301 550mm x 81mm x 66mm

Properties.

- for safe storage and transport of torque wrenches
- matching foam inserts are available separately
- with practical carrying handle
- made of robust plastic, resistant to most common oils, greases and fuels

Benefits.

Workshop-friendly plastic box for organised storage and safe transport of torque wrenches.

An ergonomic carrying handle makes it easy to transport the box.

The lightweight tool box is made of robust, wear-resistant plastic to protect against damage.

The interior is optimally designed to fit our torque wrenches.

The transport box can be equipped with matching foam inserts (sold separately).

Product highlights.

Robust design.
The robust design with secure fastenings provides excellent protection for the torque wrenches. This protects the tool from damage, scratches, and impacts during transport and storage, significantly extending its service life.

Well-thought-out design.
The ergonomic design with a comfortable handle makes the filled case easy to carry and transport. The shape is specially adapted to the shape of the torque wrenches, enabling space-saving storage both in the vehicle and in the workshop.

Durable, lightweight and safe.
The box is made of high-quality plastic and impresses with its low weight and resistance to oil, grease and other chemicals commonly found in a workshop environment.
